

PETER PAULSEL (1769-1830) AND LYDIA MOORE (1771-1840)
Of Rockingham County, Virginia

A letter names their eight children and gives date of birth for each.

Susan McNelley

Peter Paulsel and Lydia Moore were my fourth g-grandparents. I am a descendant through their son David who married Elizabeth Tarflinger in 1838. This letter was written to my maternal great-grandmother Laura Ellen Howver, the wife of William A. Hoover of Gibson City, Illinois by her cousin Z.W. (Zeb) Paulsel of Noblesville, Indiana. The date on the letter is partially cut off, but it was likely written sometime between 1900 and Zeb's death in 1914.

This is a copy of a letter generously shared with me by my cousin Julie Owens, another descendant of Peter Paulsel and Lydia Moore.
